Russian Forces Are Making Rapid Progress, With Austrians Unable To Stand In Passes Through Which Enemy Pours

ARMY INVESTING CRACOW ALSO IS GAINING GROUND

Berlin Says Situation In East Prussia and Poland Has Not Changed, While Sublime Porte **Announces Muscovite Reverses**

(Associated Press by Pederal Wireless)

DETROGRAD, JANUARY 4 .- OF ficial reports of the advance of Russian forces into Hungary show that the invacion is making ranid pross, with the defeated Austrians unable to rally for a stand before any of the passes through which the troops are streaming. In Bukowina the retreat of the Austrians has become a rout.

SLAVS INFESTING CEACOW General success, also, has attended the operations of the Russian forces operating against Cracow, under Genoral Dimitrieff. During can last fortight these forces have captured 22, 00 Austrian prisoners and taken fortyfive machine guns,

In the fighting against the German Austrian force attempting to force the Bussian positions at Rawa and Bzura. the Germans are delivering a fierqu artillery attack, despite which all their dvances have been repulsed.

LOSE CAPTURED TRENCHES

Cu Thursday the Germans captured a portion of the Russian trenches before Kielce, but were later driven back by a counter attack, as a result of which the Russians gained the ground occupied by the Austrian wing of the

NO CHANGE, SAYS BERLIN

LONDON, January 4. - The official souncement from Berlin, issued yes-Eas; Prussia and North Poland has no aged, and that a week's battle has ecsulted advantageously to the Germans on the Vistala, while the main attack

SITUATION UNCHANGED The dispatch relating to these ope a lous gays:

'The situation is unchanged in East Prus is and North Poland.

"West of the Vistula river we captured a strong Russian supposting point at Borgimow, after several days' hard

"Our attack is proceeding east of the Rawks river."

BUSSIAN REPORTS CONFIRMED The absence of any merrion of the operations against the Russian position on the Baura seems to confirm the preitus Russian reports that the German had been anable to make any progres at this point.

VIENNA CLAIMS SUCCESS The Vienna announcement yesterday was confined to a report of the opera tions in the vicinity of New Sandec, and claims to have repulsed the Rusfian attack and to have captured a height held by the enemy at Gorlice. ENEMY'S ATTACKS REPULSED The announcement says: "The eneruy's repeated attempts to break our front west of Corlice, in Galicia, have leen unsuccessful. Besides steadily rerulsing all attacks, we have stormed and captured a height commanding the enemy's position south of Gorlies."

TURKISH SUCCESSES

CONSTANTINOPLE, January 4 .n official announcement issued last night reports Turkish successes in the invasion of Transcaucasia and a victory by a Turkish-Persian force. The finguncement says:

Our troops have taken Ardahan, an important fertified town northwest or Kars, the place being occupied on Fri-Cay. The Russians lost heavily and fied before our advance.

"We with the assistance of Persian fribermen, completely defeated a force of four thousand Russians near Saonjbulnk."

It is reported here that a number of tran ports, loaded with Russian prisoners captured in the recent battles, are en route from Turkish Armenia,

Kupihea Lives and Denies the Report That He Is a Dead One

Democrats of the city received a shock yesterday, from which they may not recover for many a day, on hearing the report of the sudden death of David K. Kupihea, whose wife preach ed a sermon in stone at his expense. The report of the assassination of Capibez, the only Democratic of the bouse of representatives to be than the faithfuls of his party could stand without becoming panicky. The rows of his death—at the hands of his wife—spread with the rapidity peculiar to very good or very bad news. Not True, Bays Kupthen

Last night Rupthea sat up in bed and in a voice as vigorous us could be expected from a man who has just spent two unconscious hours and has a welt on his bend the size of a cat, gave the lie to the report that his wife

had assassingted him.

Rupihea was peacefully reading his paper yesterday when his wife came slong. Seeing him in such a comfort. ble position, she thought she would rlay a joke, and so she picked up luge stone and amashed it on his hea-thus attracting his attention.

feared the Worst Mrs. Kupines switched from being omedienne to a tragedienne in an in stant. Neighbors for blocks around heard her screams and wailing, her ex-lamations that she had killed her

These neighbors responded to her calls. They gathered around the calm and motionless Kupihea. With crit-ical interest they watched him for two hours until he showed signs of life. At was quite an experience for the neighlors, seeing a man apparently dead come back to life, and they were right grateful to Mrs. Kopibea. It was a good ad for the Democrats.

Mrs. Kupihea was not in a talkative mood last night. But iodestly admitted that she had bounced the rock off her husband's bead.

The Victim's Account

Her husband confirmed her state
ments, and added a few. ments, and added a few.

"I was slitting reading," he said,
"and the first thing I knew bang! My
wife thought she had killed me. and
so she ran to the neighbors to break
the news. I'll be all right pretty
soon! Blame my wife! Not at all!

Naval Journal Takes Cabinet Officer To Task For Some Public Utterances

that Secretary Daniels in his official a and otterances fails to realize that he and otterances falls to realize that he is the manager of a great industrial con-cern and does not know that the great plant of which he is the head was meant to produce battly efficiency, the Decem-ber issue of "The Navy" comments as follows:

follows:

"Attention to the mavy's by-products has certainly commanded an undue part of his (the Secretary's) attention. He frequently appears in written and spoken statements and newspaper interviews in which he dwells upon the warise of the navy as a great unifound university. This source any have popularized the navy and the Secretary before the country, but it has added nothing to the fighting efficiency of the navy. The nies who are in the navy did not entist to go to school; many joined possibly because they school; many joined possibly because they did not want to go to school, or because they were ill-fitted to the school life. This compalisory schooling has been a cause of discentent among the enlisted men and militates seriously against effi-

"Another instance supporting this sai idea is that of the appointment by the Secretary of a certain North Carolinian to

commissary store certain proprietary ar-

fare? Fleet maneuvers and target practice have been at a minimum for the last two years. It has been replied, replied, when this criticism has been made be-fore, that it has been represently to keep the fleet in Mexican waters, but the heavier ships have been there but a comparatively short time, although it has been all too long, for during most the time they have been doing the ties which should properly be allotted to gunboats and cruisers.

"The fact remains that through policy, if it be a policy, or through a mistaken view of the necessities of the case, it has resulted that on Octoberof this year eight battleships had not held divisional turget practice since the autumn of 1912, and another considerable part of the fleet had not held divisional practice since the spring of 1913, while another considerable and larger portion, including some of those men-tioned above, had not beld day individual practice since the spring of 1913. Mean-while flect maneuvers, the necessary ascompariment of first target practice, have been neglected."

Convers As it was notified and the body convayed to the morgan. The girl was drawed in a kimona, the deep pockets of which were leaded with recise. To make doubly size of her parameter head were the body the girl was drawed had been kept in almost about her body with an obl, or Japanene girdle.

At the satitest deld over the body the girl is make the feel were feel that her dampher had been deependent for the past two mouths, when she found that she was a victim of tuberculosis and little hope had been given her for recovery from the drand disease. About two weaks ago she gathered together a few of her little trinkets and pieces of pevelyy and, with a letter stating that life had no fromber charm for her mailed the package to a schoolgirly leight in Eddonane. The package was found as the roast of the deceased girl shorty after her disappearance had Thursday.

Chairman Andrews Sees No Reason Why Commissioners Should Resign To Lane

The civil service commissioners are

The civil service commissioners are going to "sit tight."

Their resignation will not be offered to the mayor and supervisors elect when the officials take office today.

Appointed as they were in the last hears of the outgoing administration, the commissioners declare they have no intention of resigning and will go head with their work leaving it. ahead with their work, leaving it to Mayor-elect Lane to oust them or continue them in office.
'There is no reason why we should

resign," said Lorrin Andrews, chair-man of the commission, yesterday "The civil service commission has nothing to do with politics, and so our appointment cannot be said to have been calculated to injure Lane politically. Mayor Has No Jurisdiction

"The mayor hasn't anything to do with the commission. He has no jurisdiction over it. It merely happens that the law vests in him the power to appoint the commissioners. That is all. It could have been given the

all. It could have been given the chairman of the police committee just as well, or somebody else.

'Why should we resign just because Lane is coming into office! When Pinkham took office, you didn't see the territorial officials running in with their resignations. Or when the support

were out a week or more ago that he had selected his men, but later devel opments threw doubt upon these ports until sow they are almost com-pletely discredited. Lane himself says he had not decided upon the men for the places on the commission. What Lane's attitude will be toward What Lane's attitude will be toward Fern's latest appointees is uncertain. It seems very unlikely to many Republicans that he will strongly oppose the appointments for fear of disuniting the local Republican party, and as the commissioners have all signified their intention to "sit tight," the personnel of the commission will probably not change for another year.
